2012-2013

Welcome to our 2012-2013 Catalog!

As you browse through our new catalog you'll see some changes that should make shopping easier! Many of these changes were thanks to your feedback from our customer survey.

We listened to your suggestions to reorganize the catalog and present key information more clearly. We hope these changes will simplify shopping and help you find what you need for all your branding, marketing, and business requirements.

We think you'll be delighted with our new product enhancements that link digital information to our printed products. The possibilities for inspiring and educating customers are now limitless! Ask how adding QR codes can connect customers in exciting new ways to your website or to BloomIQ.com, our free consumer website!

We look forward to working with you in the coming year and helping your business continue to grow.
